

Students joining a Class Video.

In the unfortunate circumstance that students have to isolate. All classes will be live on Showbie.

Students working at home:

All students who are asked to remain at home will be expected to follow their usual school Covid19 timetable, at the correct times.

- They will log in to Showbie at the correct time for the start of the lesson
- A register will be taken and 'absences' will be followed up
- Activities and tasks will be directed by the usual class teacher

Students who are self-isolating:

All students who are self-isolating will also be expected to follow their usual Covid-19 timetable, at the correct times:

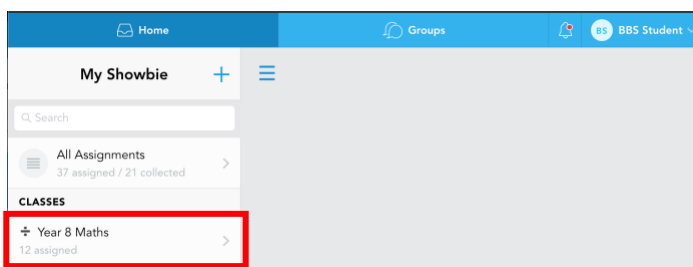

- They will log in to Showbie at the correct time for the start of the lesson
- They will be added to the class register that is taken by the class teacher
- Where possible, they will complete the same tasks and activities as the class in school or will be directed to the 'Self-isolation' resources on Showbie

Protocols and Safeguarding

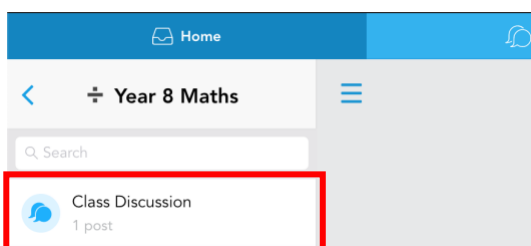

Students accessing lessons remotely must still abide by the school's acceptable use policies that can be found on the school website.

Where possible they should have a camera and microphone on and be against a neutral background.

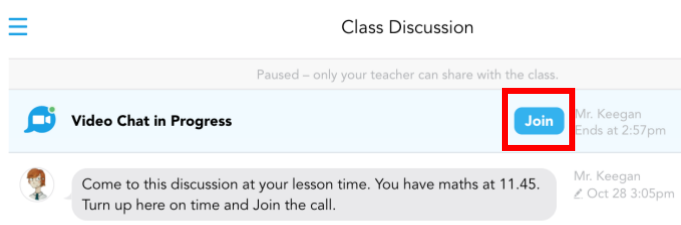

Students must dress appropriately for school, and are encouraged to wear school uniform,
