March 2021

Dear Parent/Carer

**RE: OOSH PE and Sport Clubs**

The PE department are delighted to announce that school sport can now take place. It has been a long wait and we are thrilled to get some after school sessions running for our students.

The sessions will take place in line with current Covid 19 guidelines and will follow information we have received from National Governing Bodies of Sport and other organisations concerned with PE and School sport.

Currently, there is no plan for inter school competitions and therefore the sessions are not designed for selecting school teams. As with all Brooksbank OOSH clubs, they are for all students of all abilities.

Students are not required to sign up as it is our aim is to get as many students active and enjoying sport as possible.

Unfortunately, due to students needing to remain in bubbles, year groups will be assigned one evening for their respective clubs. Whilst we understand this may be a disappointment for students wishing to attend more than one session, we are happy for students to alternate between sessions or even divide their time between them. We are hopeful that this may change in the future.

The sessions we are running this term are listed below. Again, we know some students may be disappointed, however, we are planning to add more in the summer term.

Sessions will run from the end of school and finish at 4.20pm

Students must ensure they have the correct kit and footwear for the session they are attending.

We look forward to seeing as many students as possible at the sessions.

Tuesday	Year 7	Kit Required
	Football (boys & girls)	PE Kit & Boots
	Netball	PE Kit & trainers
	Girls Rugby	PE kit & Boots
	Cycling (boys & girls)	PE & trainers

Tuesday	Year 11	Kit Required
	Football	Kit & Boots
	Netball	Kit & trainers
